
ie6 + png icon

Posted by kolcu - 2007/06/06 20:20

Hi again.

This is no this comp mistake; all roundcube client have got this problem; PNG + ie 6.

Firefox is work well bu ie 6 not see PNG file very good.

ie6:

It could be a html issue from the roundcube template, have you tried making maybe the logo smaller to fit your IE 6 screen? Ovidiu
