## JoomlaCloner Roadmap?

Posted by Greg - 2007/08/01 18:04

---

Do you have a Roadmap for future upgrades, be great to have a little insight to what the JoomlaCloner future will be :)

---

At the moment we have in development a new version of JoomlaCloner which we have to release it by October! An announcement will be made with the new features at the appropriate time!

Regards, Ovidiu
