
JoomlaCloner Promotion for .org and .edu

Posted by admin - 2006/08/03 13:58

JoomlaPlug.com has launched a new Promotion that addresses to Non-Profit and Educational organizations!

If your domains is registered as .org or .edu and you would like to purchase our JoomlaCloner component , we give you a promotional discount of 20%!

To participate in the promotion you need to prove that your site is yours by placing a simple text file on your website with the text "joomlaplug.com"!

Email us the link(promotion@joomlaplug.comThis email address is being protected from spam bots, you need Javascript enabled to view it) to that page so we can approve that the site is yours, after that we will email you a coupon code to be used in the purchase!

Please note that after you get the coupon code, you may delete that file created for approval!

Is this promotion still valid??

Are there any other offers or coupons still valid floating around??

:whistle:
