
JoomlaCloner v1.0 launched

Posted by admin - 2006/04/22 20:46

JoomlaCloner component has ben launched with the specific purpose to help you manage and distibute Joomla clones!

The complete list of features and demo are here http://www.joomlaplug.com/Tools/JoomlaCloner/JoomlaCloner_-_your_site_backup_and_restore_utility.html

Looking forward to your opinions! Regards,Ovidiu
